## Elementary

- Our neighbors, Allegany EMS, presented to Grade 1 and 5 students.
- PTO sponsored its first "Reading Under the Stars" on the 24<sup>th</sup> complete with a book sale, star lab, and free ice cream!
- Our "seniors," the 5<sup>th</sup> graders, attended MS orientation and participated in a welcoming band concert. Mr. Fancher coordinated the outing between the two buildings.
- Girls on the Run culminated their spring season with its 5 K race this past weekend. Congrats to the girls, running partners, and Coaches Rogers and Bush.
- Many families have been and will be visiting ALES for outings in the classroom: Author's Tea (Kindergarten), ice cream and viewing of student work (Mrs. Reed and Mrs. C. Miller), and Donuts for Dad (Kindergarten)
- Kuddos to Mrs. Voegelin and the 4<sup>th</sup> Grade Recorder Band. It was a wonderful performance on Thursday night.
- ALES wished Dave Rambuski the best as he drove out of the ALES bus circle for the last time after 30 years of driving on Thursday.
- Special thanks to our volunteers who enjoyed a special recognition on Friday morning at ALES. The event was coordinated by Mrs. Lori Jones

# SUPERINTENDENT'S REPORT

Following the last two week's Distributed Denial of Service (DDOS) attacks, the network is now fully restored. As noted previously, the purpose of a DDOS is to halt normal business operations by flooding the system with an excessive amount of information. I would also like to repeat that no data was breached during this attack.

The intermittent outages that occurred during the attack were lessened and ultimately thwarted thanks to the efforts of numerous WNYRIC staff members and our vendors. Our core security team put technical mechanisms in place to protect us from further service interruption and were also able to identify the source of the attack. As of Friday, the attack ceased and a formal police investigation began. Because it is an open investigation, we cannot comment further except to say that we are fully cooperating with the authorities.

Any network outage, especially during the school day, is an extremely serious matter. At the WNYRIC, we share your feelings of frustration and disappointment. While we hope that no one will want to wish us ill again, we know that hope is not enough. The 2017-18 school year will include additional upgrades to our network security infrastructure. We are stronger from this incident and remain steadfast in our commitment to your cyber security.

Thank you again for your patience and support.

Educational Supports and WNYRIC Services

## EF TOURS -

- This will be our 6<sup>th</sup> trip with EF Tours
- Main offices in Paris and Madrid
- Safety is #1 Priority
- This company is large enough to be able to make major changes at the last minute
  - 2010 Trip – Due to heightened security levels in France, 3 weeks prior to departure they offered to change our itinerary if the parents were uncomfortable. After a company representative came to our school and met with parents, administration, and students, we had 100% participation in the trip that was planned as is.

## THE COST \$3,300

- I had EF Tours add in the following out of pocket expenses that have historically been last minute additions while on the trip:
  - River Cruise and ascend the Eiffel Tower
  - Bike tour in Barcelona
  - Day trip to Toledo
  - Day trip to Segovia
  - Tips
- Those extra things have generally cost the kids additional cash on hand while traveling expenses. I was able to get EF Tours to add them into the cost.
- Last trip 12 days, Spain, France, Italy was \$3,042 + tips, bike tour, Toledo day trip
