## Snack Kids for the first week back from Spring Break

No school - M

Gianni - T

Keshaun - W

Desi  - Th

Aliyah - F (April 1)

JUST A SUGGESTION: When you are next at the store, pick up a box of crackers or bag of pretzels and send it to school with your child. That way the snack will already be here for your child's scheduled day. Many parents already do this and it seems to make things much easier for all.

## A Peek at the first week back from Spring Break

Sight words: "Said/said,  
Was/was, What/what"

Super "S" - the "s" added to the  
end of a word to show plural - cat,  
cats

Meet the Kings and Queens  
To conclude our Module on  
"royalty" we had a Kings  
and Queens celebration  
right here at our "palace".

We made crowns, had  
dainty snacks served on  
doilies, bowed and curtsied  
to one another and played  
Royal Bingo with jewels  
as bingo markers.
